C.O. 5257-2 of 9/1/80 Order thereon.
P.S. 95

In the above letter,
the Dy. Commr. of Hassan
proposes to locate the
General Assistant
Commr. allowed to his
District at Kik'keri,
unless the Moonsiff's
Court at Karsipur
could be transferred
to that station for the
convenience of the
people. This ^{would} be in effect

be^{to} establishing a Sub Divi-
-sion, which ^{is not} ~~cannot~~
~~be~~ feasible in Districts
to which only one
General Assistant Commr
is allowed. As it
is desirable however
that the duties assigned
to the Assistant Commrs

is not considered
desirable generally.

should be properly
defined, the Dy Commrs
of the several Districts
are requested to report
what duties are assigned
by them to their Treasury
and General Assistants.

The Jndl Commr
will be requested to
take into consideration
the expediency of trans-
-ferring the ^{Mysore} Munsiff's
Court to Kikkeri or
what ^{may be still} more conve-
-nient to Chervaiptam,
with civil and criminal
jurisdiction over the
Taluka of Attikuppa
Chervaiptam, Nagaman-

while the Munsiff
at Hassan may exercise
civil jurisdiction only
in the Taluka of

Revenue Department.

Sir,

With reference to the Chief
Commissioner's Proceedings No $\frac{5251-2}{2898}$
of the 9th instant, requesting to report
what duties are assigned to the
Treasury and General Assistants in
this District, I have the honor to
state that out of the 2 Assistants
allowed for this District, one is in
charge of the Jail and Treasury
and in addition he has charge of
the Magistrate and Municipal Depart-
ments, and he also attends to
current routine matters in the
Office under the Deputy Commis-
sioner's orders. The other is in
charge of the Police Department
and this often engrosses his
whole

whole time and attention. He
also employed to inspect different
localities in connection with
and Revenue Administration.
The Deputy Commissioner is not
to go, and he assists the Deputy
Commissioner in Jumbundi
and any other special work
assigned to him from time to time.
I have not divided the District
into Sub Divisions either for
Magistral or Revenue work, and
it is needless to do so in a District
like Simbu. The District
Magistral file being light the
District Magistrate and Judicial Assistant
are able to hold almost all the
summary inquiries in cases
by the Court of Session and
while the Judicial Assistant
takes up any 1st Class Magistrate
cases which I have no time
to try, the District Magistrate and the
Assistant will take up 2nd &
3rd Class Magistral Cases. Criminal
cases are as a rule, in my

own hands, and I do not as a
rule desire the General Assistant
to try Magisterial cases as he is
so much in charge of Police in-
vestigations &c.

Sir,
Your most Obedt servant.

my orders to the following
work:-

- 1 - Office Department
- 2 - Prosecution — do
3. Municipal — do.
- 4 - Account — do
- 5 - General Asst. Assist in the
Dy Commissioner's Office.
6. Magisterial Cases to
the extent of his powers.
- 2 - There is no Treasury

but the work of the Treasury

here seems so heavy, ^W that to ensure
that efficient control & check over
the transactions, which the rules of the
financial department require and the
necessity of which, is called for by the
defalcations that have recently oc-
-curred in places, where they were scarcely
to be expected, the rule; judge to be
the work is now submitted seems to

No. 208.

Deputy Commissioner Office
Shinoga District.
Camp Hill, 14th January 1880.

To

The Revenue Secretary to the
Chief Commissioner of India.

Sir,

In reply to the Chief Commissioner's order
No. 5251-2 dated 9th Instant, I have the honor
to inform you that there was only one Sub Division
in this District comprising the Taluqs of Sorab,
Sagar and Jagar, and it was called the Sagar
Sub Division. Mr. B. G. Krishnengar, Assistant
Commissioner, was in charge when the order
abolishing the Sub Division was received. The
Sub Division Officer used to remain in it
during the greater part of the year, and came
to Shinoga in the monsoon.

2. Under the latitude assigned to District Officers
in the Chief Commissioner's order No. 5251-2 dated 1st
May 1879, I have allotted to Mr. Krishnengar
the revenue work of the aforesaid Sub Division, with
certain reservations as to the exercise of patronage
to the Superior posts of Sumaria, Kedar and
Sagar Manegar, and any other important
matters requiring the Deputy Commissioner's special
orders. He is now performing, in addition
to the Magisterial work of the Sub Division, which
is unaffected by the change.

3. Mr. Ramaswamiengar, who was in charge of
the Treasury as Acting Assistant Commissioner

was, in addition to criminal work, signing
for me routine papers and disposing of
matters of the same kind. Mr. Abdul Karim,
who has relieved him, has been asked to carry--
on the same duties. He is also in charge
of the Police Department, whose duties with
certain exceptions, devolve upon him, --
pending the re-organization of the Police.

R

The Chief Commissioner's
Proceedings No. 5251 of the
9th instant, calling for
a report regarding the
duties assigned to the
Treasury and General
Assistant Commissioners.

With reference to the
above, has the honor to
state that as regards the
Magisterial duties dis-
charged by the General
Assistant Commissioners
their local jurisdiction
viz: the Head Quarter and

14

Closett Sub-Divisions continue as they were before the revision and they likewise try such cases as are referred to them by the Dy Commissioner. The Treasury Officer in addition to his legitimate duties in like manner disposes of any Criminal cases that may be referred to him.

2. As regards revenue duties the General Assistant Commissioners have not under the present arrangements sufficient work to do except at the time of Jumaundy. It is true that certain papers ~~are~~ are from time to time handed over to them; but this makes their work desultory and what is required is that they should have a certain class of papers or work entirely handed over to them not only in order to lighten the work of the Dy Commissioner, but to interest the General Assistant in the work they have to do.

3. One of the General Assistants (Mr. Pringle) performs the Prograic duties of the District, and it will be necessary to hand over, part at least of the Police work to Mr. Syed Nazarool Khan.

Camp Heggadewankote 6th Feb. 1880.

To

The Revenue Secretary to the
Chief Commissioner of Mysore
Sir,

With reference to Chief Commr's
Proceedings No. 525-9 of 9th January 1880.
Res 890
calling for report of the work assigned to the
Treasury and General Assistants of this
District, I have the honor to report as follows:

2. In the judicial side the 1st Class
Magistrates' cases are distributed Taluk-
wise between the General and Treasury
Assistants.

The Treasury Assistants' only other
regular work is the Treasury and Revenue
Departments, but I have this year assigned
him the Jambhavy account work of the
Head Quarter Taluk of Mysore.

Mr P. K. Punniya, who is in charge of
the Military Department, is to do the Jambhavy
of the Jindore, Taluk and Mal-
valli Taluks.

Mr Vijayendra Rao, who has the special
duty of the Railway demarcation and

Compensation claims and the channel
survey demarcation is being simultaneously
the Jamabandi of the 2 Taluhs connected
herewith, Mandya and Belthangudi, and
hereafter Channarayana will be taken
up by him.

3. As circumstances require I delegate the
General Assistants to take up special enquiries
of a miscellaneous or general nature
whenever they may occur; they have
however no regular duties connected with
the current work of the District in any
Department, all of which are in my own
hands and I propose doing the Jamabandi
of Periapatna, Heggaddevanahole, Kanyan-
gur and Gundlupet myself.

The Secretary to the
Chief Commissioner of Mysore,

Sir,

In reply to para 1 of the Chief
Commissioner's Proceedings No. $\frac{52519}{898}$
dated the 9th January last, I have
the honor to report that with the
exception of their duties of Khozai
and Treasury Officers, respectively,
Messrs. Kalviengar and Madaya
have no particular work assigned
to them on the Revenue side, since the
abolition of the Sub-Divisions of this
District. The work performed by
them is generally what is referred

to personally me -

2-. Mr. Kundua Murti, while
officiating Deputy Commissioner
has passed an order directing
that Mr. Madaya should be in
charge of the accounts, paper work
and office correspondence, as also
that he should take up and dispose
of Pindar petitions; but this order
does not appear to have been
strictly adhered to -

3-. I beg now to submit herewith
a list showing the revenue
work which I consider may at
present be apportioned to the
Assistant Commissioners. It may
here be observed that the placing
under Mr. Madaya of the Account
Department, subject to my general
control, would pave the way to
the re-distribution of work as
promised in Para 5 of the Chief
Commissioner's Proceedings No. 579
dated the 19th May 1919 and would

19
facilitate the more speedy dispatch
of the important work connected
with that branch of this Office --
